

## ZIGZAG

Geoff Davies

Life has many twists and turns  
And challenges galore.  
Enjoy whatever comes your way  
And keep an open door.

One day this way, one day that  
Where to go and what to do  
Indoors? Outdoors? There's a choice.  
Go with someone; maybe; who?

Enjoy life with perambulation  
Alternatively, automation.  
You may climb up lofty hills  
The views from there engender thrills.

It is a long way to the top  
A zigzag path, a zigzag road  
A gently rising elevation  
Foot or motor, whatever mode.

The road in Dorset is quite a challenge  
Tests a sporty driver's steering.  
Feel the G-Force at the bends  
Don't forget to change the gearing.

Zigzag path is down in Selborne  
A Hampshire village in the Hangers.  
The steady climb will keep you busy  
Not too fast, you might get dizzy.

Once you reach the top to view  
The countryside spread out for you.  
The arduous climb is soon forgotten  
The welcome pub is at the bottom.
